From left to right: Dr. Geoffrey Lee, Minister for Skills and Tertiary Education, New South Wales, May Wunnacharoensri, Executive Director, Times Education, Hernan Chanique, Hospitality Course Coordinator, WIC.

Congratulations to Hernan Chanique, who has recently been recognised for his amazing skills and effort with the prestigious Tourism Training Australia Hospitality Trainer of the Year for 2021! Hernan is a long-time favourite with his students and has been working with WIC since 2017.

Hernan's is an amazing trainer because of how much he cares for each of his students. He takes time to get to know his class, what each student's individual background is and what career goals the students have. It isn't just about teaching; it's about changing lives.

He stays connected in the hospitality industry and continues to work, learn, and grow himself. He is a wonderful role model for his students.
