

## Times Education Partners with **University of New England**

Times Education is proud to announce a new pathway partnership from most of our AQF qualifications into UNE for further education. It is an exciting announcement for us as students from Times Academy, Business Institute of Australia, Warwick Institute of Australia and Wells International College, can now use their studies to gain credit towards a degree at UNE.

This agreement also covers offshore package offers and COE. Students can come on a package visa to study for Diplomas and Advanced Diplomas which will lead to sought after degrees and programs the world over. Students who study Business, Marketing & Communications, Community Services, Project or Program Management or Leadership & Management can get advanced standing for their studies at UNE.

The University of New England in Armidale, Australia is a global leader in research and academic innovation. Their international students interact closely with teaching staff and enjoy being a part of a close-knit community. UNE's primary goal is to give students the knowledge and skills needed to make a difference in the world. Yet, while the focus is on the future, UNE is also proud of its heritage. As one of Australia's oldest universities, you can trust UNE to provide a high-quality learning experience. UNE has campuses in Armidale and Parramatta, NSW with studies and degrees in demand the world over.

## High School Preparation for Success at Masada College

Masada College is one of the top 100 private schools in NSW and prides itself on Academic excellence, pastoral care and opportunities for their students. Times Academy is their preferred High School Preparation provider for students who require more English before entering Masada's primary or high school classes.

"Times Academy provides the best preparation, as they include morals & values, the core subject areas and academic rigour. This is valued by Masada and we love working with the team at Times Academy." Karen Forrai, Head of Enrolments Masada College.

To support our high schools Times Academy is offering offshore online support and tutoring for students who cannot enter Australia presently but have plans to come here when the pandemic allows. By allowing students flexible studies, they can continue to study in their own country while preparing for a bright future in Australia.
