

## Congratulations to **Julie Tennet**, the Times Academy Course Coordinator for Childcare Courses.

Julie Tennet is a finalist in the NSW Training Awards Central & Northern Sydney Region, which is conducted annually by Training Services NSW within the NSW Department of Education to recognise outstanding achievement in the vocational education and training sector.

“I’m really pleased to be nominated for the 2021 NSW Training Awards for the Trainer of the Year! I believe it is important for trainers to be recognised for all the hard work and dedication they show to their students and the industries they support. It is with great pleasure that I promote myself as an Early Childhood Education and Care VET trainer at Times Academy and be recognised for the commitment and passion I have for my students and my profession.”

-**Julie Tennet**, Early Childhood Education and Care Course Coordinator, Times Academy

## Make More, Work More, Study More

The Department of Home Affairs has lifted the 40hr/fortnight cap for students working in hospitality and travel & tourism. Now is a wonderful time for students to explore a career in these sectors while working to pay for their studies. With many work placements in hospitality leading to paid jobs, this means students can contribute to their own education while learning valuable, in-demand skills.

Please contact the marketing team at either school for more information. It is now a great time for students to work in these vibrant in-demand industries. They can earn higher salaries with greater qualifications and enjoy the freedom to work more hours than other international students.

WIC has the following courses:

- Certificate III in Commercial Cookery
- Certificate IV in Commercial Cookery
- Certificate III in Hospitality
- Certificate IV in Hospitality
- Diploma of Hospitality Management
- Advanced Diploma of Hospitality Management

BIA has the following courses:

- Certificate III in Travel
- Diploma of Travel & Tourism Management
- Advanced Diploma of Travel & Tourism Management

# Uow Credit Recognition Agreement Expands

The Times Education Group is very pleased to announce that after successful partnerships with IIBT and TA English courses, the University of Wollongong is expanding their credit recognition to more of our courses and graduates.

The University of Wollongong (UOW) has become a benchmark for Australia's new generation of universities. It is ranked among the top modern universities in the world and has built a reputation as an enterprising institution, with a multi-disciplinary approach to research and a personalised approach to teaching.

With five faculties – Business; Engineering and Information Sciences; Law, Humanities and the Arts; Science, Medicine and Health; and Social Sciences, UOW currently offers over 300 degree programs across both undergraduate and postgraduate levels to more than 32,000 students around the world.

UOW has a strong international focus and reputation, with close to 6000 international students studying across its Australian campuses each year. UOW Dubai has been in operation for more than 20 years. In 2015 UOW became the first ever overseas-based university to enter Hong Kong when it was selected to take custodianship of the Community College of City University Hong Kong (CCCU) and transform CCCU into an international campus.

The University also has three campuses in Greater Sydney (Sydney CBD, Southern Sydney at Loftus and South West Sydney at Liverpool), as well as campuses at Nowra, Batemans Bay and Bega on the NSW South Coast, and at Moss Vale in the Southern Highlands.

Students from **BIA, TA, WIC** and **WIA** who study diplomas or advanced diplomas in Accounting, Travel & Tourism, Marketing & Communications, Leadership & Management and Business can gain credit towards a Bachelor of Business or Bachelor of Commerce at the University of Wollongong.

While our IIBT Higher Education Business Diploma has long been partnered with UOW as the equivalent of 1st year of a bachelors, now students who study our IIBT higher education Diploma of IT will achieve credits equal to their first year of studies for the Bachelor of IT at the University of Wollongong. It is very exciting to add this to our scope of partnership.

We are looking forward to working more with this fantastic partner.

Times Education is excited to announce **our new courses**
