New Partnerships

Times Academy is pleased to unveil a new agreement with the University of Southern Queensland who now recognises our English for Academic Purposes graduates as having the English level necessary to study with USQ. With campuses in Toowoomba, Qld and in Sydney, we look forward to sending our English students to achieve their goals with USQ. For more information contact Times Academy marketing staff.

Wells International College (WIC) is delighted to announce it's new partnership agreement with Southern Cross University. Southern Cross University has 2 campuses in Sydney, one for

the Hotel School and another campus in the city with undergraduate programs in business and IT, and graduate programs in business and accounting. Students who complete studies in relevant disciplines at WIC will receive credit towards courses of study at Southern Cross University.

Times Education is pleased and proud to offer these new opportunities to our students and to work with two such prestigious Universities.

AGED CARE COURSES COMING SOON!

Times Academy has received ASQA approval to deliver the Certificate IV in Ageing Support. With plans to begin delivery of these programs in 2018, this will add another excellent and highly sought after area of study to the Times Academy prospectus. Aged care is a high-demand occupation with job opportunities across the globe. In line with Times Academy's reputation for excellence, this course will be delivered in an interactive practical way which gives students real work experience in premium aged-care facilities in Australia. We look forward to telling you more about this program in the near future.

Staff Profile: Quyen Ly

Quyen is our Human Resources Coordinator who is working under a steep learning curve from our Chief of Operations—Candice Pang. There's a lot to learn!

From: Vietnam but raised in Australia

Started at Times Education Group in May 2017

Qualifications: Bachelor of ECE & Post Grad HRM

At Times I love the support system from everyone, regardless of their roles.

Love of her life: Travel and gorgeous food and wine

Favourite Food: My mother's Vietnamese Sweet & Sour Soup

Trainer Profile: Lydia Su

Teaching: Certificate IV at WIC

My most memorable moment was when students planned a loud surprise birthday party in the classroom. We must have done something right that made our students show their appreciation through a crazy surprise party in the classroom.

Started at Times Education Group in 2012

Favourite Things: I love singing and all kinds of noodles

Qualifications: UTS: Masters of Design

What you didn't know: My parents and my three sisters all living in Taiwan. My husband is from Jakarta Indonesia. We live here in Sydney with our beautiful 8 year-old daughter, Sophia.
